C 08 (2019-20)

To,

Primary School Parents (Grade 1 - Grade 7)

Dear Parents:

Greetings!

At the outset, we hope you have had a chance to spend some quality time with your children during the summer break! We also hope your children are excited to be back in school just as we are to welcome them back! We look forward to all their wonderful stories amassed and also nurturing them with learning opportunities in the months that follow.

As you are aware, we have always shared the SVM vision of bringing in experienced professionals from across the country to Ratnagiri to create more opportunities to innovate with the teaching - learning processes and are delighted to announce the following facilitators as part of the SVM family: Ms Latika Sarde- Counsellor, Ms Sharvari Gavali-Grade 2 Class teacher, Ms Pradnya Zarakar-Subject teacher, Ms Neema Sawant-Subject teacher and Ms Kritika Singh-English Enrichment.

The new additions to our family bring in expertise and experience and have been formally inducted during the summer break with the SVM approach and along with the existing team members will be trained by our consultants, award winning Mumbai based KA EduAssociates throughout the year as well. As we say at SVM - learning never stops!

Apart from the academic program facilitation, we are thrilled to welcome the team member from the world renowned Prakash Padukone Badminton Academy as part of the co-curricular team. With this inclusion we believe our Be More vision will provide ample of opportunities for our children to develop key skills in Dance, Theatre Arts, Music and Sport. We continue with Mumbai based Theatre Professionals for theatre arts, Mumbai based Clap Global, and Pune based KinderSports for multi-sports.

We would also like to wish team members moving on from SVM for personal reasons and thank them for their efforts. Mr Keshab Hira, Ms Kusum Chavan, Ms Karishama Kapadi, Ms Sangeeta Samanta.

We have an action packed month ahead as we settle the children back into a school routine and commence our academic objectives as part of Term 1.

Timely communication will keep you abreast of all developments and as always, do write to us in case you have a query for us and we will be happy to address it.

Here's wishing all of us a wonderful start to June 2019!

Yours truly,

Darshana Dabke

Principal
