To,

Pre- Primary and Primary School Parents (Grade Nursery-Grade 7)

Dear Parents:

This is to inform you that one of our administrative team members, Mr Sachin Kolhe is no longer part of the SVM family. The gentleman has moved out of Ratnagiri and we request that you ignore the communication that comes your way from him.

We look forward to your support as always, and do not wish to extend any more attention to this matter as we are focused on delivering the best academic program to our children and growing them from strength to strength.

Looking forward to a great year ahead.

Yours truly,

The Management

SVM
