Ref: Janmashtami Celebration

Dear Parents:

Celebrating events and festivals in schools are an integral part of learning and building a strong cultural belief in a child. SVM encourages all learners to embrace each other traditions and cultures just like the way they do with their own.

Grades Nursery to Sr Kg will be celebrating Janmashtami in School on **Friday, 23rd August '19**.

Such celebrations bring students closer to traditional and cultural beliefs. A close bond and mutual respect is built between the learners as they understand each other's different customs. Apart from building relationship and friendship, these celebration will bring happiness and love amongst the students.

Keeping its value intact SVM believes that education should allow the child to bloom and thrive giving them the right platform where they will work towards becoming a responsible citizen of tomorrow.

- Learners to dress up in traditional wear for this celebrations. Learners may dress up as Radha, Krishna, Gopi or Gwala if they wish too. Parents are requested to send an extra set of comfortable clothes in case the learners want to change
- There will be regular school for the learners.

Yours truly,

SVM Management
