To,

Pre-primary and Primary School Parents (Nursery-Grade 7)

Dear Parents:

Greetings!

We are delighted to announce that SVM has achieved a hat-trick of awards with two of India's most prestigious organisations, Education World and Education Today recognising the teaching-learning and co-curricular program that the school executes as part of its 'Be More' vision. For a young school with many dreams, this is a validation of the effort of the teachers and our children who simply make each day memorable.

Our Management while designing the school was conscious of bringing best practices in the field of education to Ratnagiri from academics or co-curricular - be it consultants from Mumbai who helped execute this vision to the teachers empanelled from across the country to the co-curricular experts who are optimising the facilities provided to create a truly holistic learning environment for our children. With this visionary approach, our path was well defined and in Year 2, we are already the recipient of several awards.

This hat-trick for being the Best School in Ratnagiri, to being ranked in the **Top 10 influential schools** with a progressive multi-sport program is a huge source of encouragement that motivates us to "**Be More**", **Ranked No.1 Co-ed Day School** in Ratnagiri by the Education World India School Rankings 2019-20 and **Ranked No.1 in Ratnagiri** by Education Today School Survey.

All of this would not have been possible without your constant support and faith in our processes and we take this opportunity to thank you from the bottom of our heart.

Our children make us proud every day, and this honour celebrates their journey with us so far. We look forward to building on this foundation in the years to follow.

On that note, welcome back to school dear parents! Our children will receive this message in person during the assembly and it will surely make their day!

Yours truly,

Darshana Dabke
