

C 46 (2019-20)

Date: 11/09/2019

To,

Pre-primary and Primary School Parents (Nursery-Grade 7)

Dear Parents:

Greetings!

This morning, the SVM team was super excited to welcome the children back to school post the festivities. We hope this family time with your little ones was time well spent, and while you enjoyed having them home, we missed them immensely! Our corridors and classrooms this morning have come alive with their chatter and smiling faces, and with all the plans we have in store for them, these few months till 2020 promise to escalate the learning process.

We also have some news for you: Ms Kajal Sippy a senior educator from Mumbai joins us as Academic Head bringing in close to two decades of experience. Her journey as a teacher has combined national and international board experience and in particular expertise with Primary and Middle School year's program (grades 3 to 8). Her areas of specialisation are English and Humanities and has been a mentor and assigned a leadership role in her previous organisation as well. With Ms Kajal's appointment, our family at SVM continues to grow and as promised when we initiated the school, our goal is to bring expertise from different parts of the country to Ratnagiri to give children the opportunity to 'Be More'.

Join us as we welcome her and settle her into our world of learning at SVM.

Thank you for your support as always,

Yours truly,

Darshana Dabke
Principal
