Primary School Parents (Grade 1-Grade 7)

Dear Parents:

Greetings!

This is to inform you that if your ward is participating in any sports/interschool events the fees for the same and travel arrangements have to be borne by the parents.

The school coaches will accompany the students only within Ratnagiri city.

In case the coaches have to travel for any specific competition outside Ratnagiri the school will bear the expenses for the coaches. The expenses for travel and accommodation of the student will be borne by the parents. The parents need to accompany the student in case the travel is outside Ratnagiri.

Please feel free to contact the school office regarding any clarification for the same.

Thank you
