Dear Parents:

Greetings!

#### The Importance of Positive Parent-School Partnerships

Teachers and parents provide a vital support system to help students flourish. When parents and teachers communicate and work together effectively, it can significantly impact each student's long-term success. When parents and teachers communicate with one another, they are able to work together towards this common goal.

Principal Ms Darshana Dabke and the Early Year's Home Room Teachers met up with the early year's parents to have a dialogue over a cup of tea and share their "WOW" moments with each other.
