Primary Parents (Grade 7)

Ref: Field trip Consent Form

Dear Parent/Guardian:

As a part of learning outside the text book program, grade 7 will be going on a field trip to Avishkar a school for differently abled children on Friday, 4th October 2019. This field trip will be held within the school hours.

This field trip will provide your child with the opportunity to see the learning opportunities offered by a visit. Visiting a location, outside of the classroom is a more effective teaching tool for both school skills and life skills.

We believed disability awareness in schools is extremely important as it educates learners so they may become responsible citizens of tomorrow.” Teaching children empathy will help in breaking social barriers and allow a better, wholesome approach to inclusion of people with disabilities.
