

C 76 (2019-20)

Date: 19/11/2019

To,

Pre-primary and Primary School Parents (Nursery-Grade 7)

Dear Parents,

Greetings!

Thank you for attending the PTM and interacting with the teachers to exchange and share feedback and strategies for upcoming quarter.

As we move ahead to quarter 3 we are glad to announce “We Are the World”, culmination of clap talks, conducted by Clap Global.

Clap Global is a platform that enables a unique exchange of cultures by helping international travellers visit classrooms and engage in meaningful and often surprising conversations with students.

Children get to learn about different cultures through real stories and real people, and gradually develop an understanding of the world that is deeper than popular stereotypes. And travellers get to witness a slice of real life in a foreign land while making an actual difference to the lives of the people they meet.

Clap talks have been a very important part of learning at Sarvankash as we truly believe and practice holistic learning and teaching.

SVMites will be presenting different countries of the world. SVM learners and the teachers will be curating and leading this event.

We plan to host this event on Saturday,30<sup>th</sup> November in the school premises during school hours.

The children will present their work to the parents and dignitaries.

We look forward for parent’s voluntary assistance in this event as we believe that parents are vital partners in education as they influence the learning process along with their children's attitudes about learning, and support learning at home. They are a vital link between home and school. And when they become involved in the life of the school, they make our schools better places to learn, grow and thrive.

Please fill in the below form and send it to the school the next day after you receive it.

Thank you

Team SVM
