## Explore the unexplored with Go Wild

### Amba Ghat

Amba ghat is situated at a height of 3100 ft above the sea level and is on the Kolhapur-Ratnagiri national highway (NH-204). The spot is the highest in the Kolhapur and the region beyond this point is known as the Konkan region. The place is also mentioned in the books of History, which says that the place acted as a bridge between Konkan and Kolhapur during the period of Chatrapati Shivaji. The place has picturesque surroundings and pleasant weather, which makes it more enjoyable for the tourist to visit it all round the year.
