Primary School Parents (Grade 1-Grade 7)

Dear Parents,

Greetings!

With the Final Examination coming up in a months' time, we shall be starting class tests on the syllabus in various subjects. These will be mini tests based on a chapter or a concept each to ease out the revision process of the learners. These tests will provide us a tool to understand which concepts needs reinforcement.

These tests forms a part of internal assessments. It is a sincere request that you sign each test so that all of us are an equal part of our learners' progress.

The dates for the test will be mentioned in Home work template.

Thanks for your cooperation as always.
