C 02 (2020-21)

Dear Parents,

We are super excited to welcome your little children to the world of learning at SVM, as they transition from their home environment or playgroups to the Pre-primary Years with effect April 2nd, 2020. We can only imagine the zillion questions you have for the little ones - how will they cope, will they manage, what would be the academic program, will the teachers love them unconditional so on and so forth. We therefore have planned an Orientation to explain the entire process with you and explain how we have successfully settled children in the past.

In this meeting, we will discuss:

1. The Program of Studies and the new subjects the children will be exposed to as part of the Pre Primary Years at SVM
2. The scope of learning in these subjects, home-work and assessments overview
3. The co-curricular activities
4. The school policy on school uniform, snack and transport facilities
5. The student and parent handbook and how to communicate with the school team
6. The settling period and how we manage this in the first few weeks

We are excited to share all this with you and with this communication, assure you of our commitment to making this a Be More school for your children at SVM.

Our consultant from Mumbai, Mrs Fatema Agarkar will be leading this with our school leadership team - Ms Dabke and Ms Jaiswal.

We invite all parents to an orientation as per the schedule given below:

Date: Wednesday, 18th March, 2020

Time: 11:45 A.M -12:25 P.M

Venue: ICT Lab

Looking forward to welcoming you,

Yours truly,

The SVM Team
