Dear Parents:

We write to you today in wake of some queries regarding Mrs Agarkar's involvement with us at SVM in wake of her decision to dissolve her previous venture KA EduAssociates and extend the educational services now with her team of facilitators under her new venture, ACE that brings together both verticals that she remains passionate about, Education and Sports under one roof.

Mrs Agarkar's experience and expertise continues with us as part of the SVM journey ahead and she is working closely and behind the scenes with my teachers as we prepare for the year ahead.

Mr Gadre, Mrs Agarkar and I continuously discuss strategies and plans for the children we nurture.

We hope this communication puts to rest all the discussions and speculations. Mrs Agarkar has been an integral part of what we have initiated at SVM and remains deeply committed to it.

Wishing you a safe and restful weekend ahead,

Yours truly,

Monica Jaiswal  
Principal
