**Ref:** Zoom Conversation

Dear Parents,

We miss our children dearly, and think of them dearly. While we engage with you through whats app and emails, we miss interacting with our children.

We hope therefore by sharing this schedule in advance, teachers are able to connect with the children.

The conversations will simply be about their well-being, guiding them to stay on task with the summer enrichment packs, listening to them share their experiences and also sharing all the skills that they have learnt.

We hope this conversation will convey to them how loved they are, and how much we miss them!

So do connect us with your children via zoom.
