Dear Parents,

As you are aware due to COVID 19 outbreak we have started our school Virtually. As per the regulations and guidelines from the government, we couldn't open the school and meet you all. Also, the books and study material dispensing couldn't take place.

As per parental requests and keeping in view safety of our learners we are starting book and study material dispensing at School shortly.

We will be sharing the schedule for the same.

Kindly visit to the school at given time and collect your books and study material. We have created the time slots for each grade keeping in mind about the safety of our parents. All the safety measures will be followed in the school while book dispensing like use of masks & Sanitizers, Social distancing, etc.

Guidelines for Parents to be followed:

1. Please wear masks while coming to the school.
2. Carry your own sanitizer as well.
3. Kindly adhere to the time slots allotted to avoid gathering of excessive number of people in a school.
4. **Only one parent per learner** will be allowed to enter the school premises.
