

C 33 (2020-21)

To

Whole School Parents,

Reference: Announcement of Students Council and House Leadership positions.

Dear Parents,

John F. Kennedy rightly said, “Leadership and learning are indispensable to each other.” After a week-long procedure following a fair and democratic approach, we are happy to announce our First Student Council for the Year -2020-2021. Congratulations to each and every student, parent, grandparent and facilitators.

The process began by rolling out Google Forms for the posts of Captains, House Captains and House Ministers to the learners of Grades 8, 7 and 6 respectively.

The learners had to nominate themselves for these posts. Once the nominations were received, a Google Meet was initiated with the learners and the House teachers. In this meet, the nominated learners campaigned for their respective posts. It was an immense pleasure to witness the enthusiasm of learners for naming the houses and finalizing the motto and the logo for their respective houses.

The learners who were shortlisted for the position of School Head girl and Head boy were sent google forms which had questions based on leadership. They had to fill their responses and mail it back to us after that a five parameter rating scale was decided on the basis of which the school Academic team and Co- curricular team rated them. The parameters were as given below:

- **Academic performance**
- **Co-Curricular performance**
- **Behaviour and Self discipline**
- **Regularity and Punctuality**
- **Honesty and Commitment**

After this a final internal voting was done by the teachers for finalizing the nominations.

Coming Next are the positions of leadership for the Six clubs.

1. **The Sports Club**
2. **The Environment Club**
3. **The Science and Innovation Club**
4. **The Cultural Club**
5. **The MUN (Model United Nations) Club**
6. **The Language Club**

For these Clubs President will be selected from Grades 6 to 8 as per the club they have opted for and Vice –President will be selected from grades 3 to 5. These selections will be done after the first periodicals get over.

Each and every child has her or his areas of strength and areas of improvement and as a School it is our responsibility to push them to work in the areas of their strengths and develop areas which needs to be groomed and enhanced. Still dear parents, It's simply the beginning every year step by step as the SVM family grows, each and every SVMite will get umpteen opportunities to exhibit the potential latent in them.

Do join me once again to congratulate them and we will look forward to your blessings on August 15th 2020 when our first batch of student council will withstand the oath taking ceremony.
