Dear Parents, (Grades 3 to 8)

Reference: Choosing of a club for Session 20-21

As mentioned earlier in the PTM meeting held on Friday 31st July. You are aware that in the Academic Session 20 -21, we are starting with the club activities to make our learners exposed to a variety of fields, get familiar with them and also get into the research mode along with some experiential learning.

Today we are rolling out the google form which is to be filled and submitted latest by 5:00 pm on Wednesday 26.8.2020. Each child has to opt for one club only for this session.

We are briefly sharing the names and objectives of each club once again to help our learners make their choice. As parents you may guide them if they ask for your guidance otherwise it would be appreciated if children can be given the freedom to choose the club as per their area of interest and strength. We will later be asking children to nominate themselves for the club leadership positions.
