Pre-Primary Parents (Grade Nursery- Sr. Kg)

Dear Parents,

Hope children enjoyed their first quarter and for you as parents it would have been a first of its kind experience to see them attending online sessions with such ease. With your continuous and extended support, feedback and suggestions we will definitely keep doing better in every step taken ahead for their bright future.

As we have now begun the second quarter we have reflected and worked on how we can further add value in our learner's life focusing on all round development. Looking at the new books that you have just received we are now glad to share the better version of our timetable where we have clearly mentioned all the activities, subjects and permanent google ids.

We request you to kindly make a note of the same.

Thank You

Yours Truly,

Monica Jaiswal
