C41 (2020-21)

Dear Parents (Grade 6-8),

Greetings,

Reference: We Think Digital-Digital Safety & Online Well Being Workshop

Online Safety is an absolute imperative, especially in these times when we have been pushed into the online space for our daily work and communication. We are all major stakeholders in the lives of our young ones - whether our students, children, siblings, or nieces and nephews. It is of utmost importance for us to help them navigate through the perils of the online space, and aid their processes of becoming good digital citizens. Through these trainings, we seek to empower students with the knowledge of what it means to be digital citizens, positive online engagement, digital wellness, spotting fake news, and many other skills and tools required to use the online space positively and effectively.

We are happy to announce that we have registered Sarvankash Vidya Mandir for the **We Think Digital-Digital Safety & Online Well Being Workshop** in collaboration with **CBSE (Central Board of Secondary Education)** and **Facebook**.

All participants will receive a joint e-certificate from CBSE and Facebook, on successful completion of the course.

The workshop will be conducted virtually on Zoom Platform on Saturday, 19th September, 2020 at 11:00 am to 12:00 am.

We will be soon sharing Id and Password for the same on WhatsApp.

Regards

Monica Jaiswal

Principal

SVM.
