

C42 (2020-21)

Dear Parents (Grade 5-8),

Greetings,

Reference: TCSion IntelliGem Contest

We are happy to announce that Sarvankash Vidya Mandir has registered for TCSion IntelliGem Contest once again this year.

The 21st century is all about ingenuity, immediacy and inquisitiveness. Learners are expected to be backed up with 21st Century Skills - a set of essential life skills and an invaluable asset in their preparation for college, work and life.

In SVM, we continuously look at opportunities to connect their learning with real life and to provide them with the necessary skills to be proficient communicators, innovators and creators, critical thinkers, and collaborators, all with a global mindset supported by strong value systems. One such opportunity is the TCS iON IntelliGem, a National level contest conducted by Tata Consultancy Services on a wide range of 21st Century Skills for the students of Grades 5 to 9.

All participating learners get:

- **Learning Reference Material**
Digital booklets on the 21st Century skills - authored by experts
- **Fun-filled Learning**
Access 21st century learning through webinars, puzzles, games, activities and more
- **IntelliGem Certificate and Recognition**
Personalized performance report with IntelliGem Quotient and a digital certificate

- Winners and Finalists get to represent the School at National Level Finale and win exciting rewards:
 - **Cash Prizes**
 - **Trophy, Medals and Certificates**
 - **New Age Toys**
 - **Leadership Training**
 - **Books and Subscriptions**

- To enroll your child, visit <https://intelligem.tcsion.com>
While registering, you will need our School ID. **Please use this School ID: 1000134**

- Learners will prepare themselves independently. Kindly note the registration closes on 15th October, 2020.

Together, let us make our learners 21st Century ready!

Regards

Monica Jaiswal
