Primary School Parents (Grade 1 to Grade 5)

Dear Parents,

Greetings!

### **Workshop on Empowering Parents and Teachers on Child Sexual Abuse**

Child abuse is one of the harshest realities of our society. Empowering parents and teachers on child sexual abuse will enlighten them to communicate at a deeper level with their child. It will also help them to reinforce it through daily conversations and will make these concepts deeply rooted in a child's system.

Hence we have planned a workshop on the same topic as we feel that parents and teachers are the first lines of defence for the children. The child abuse prevention workshops will enable parents to educate and empower their children with age-appropriate information and knowledge.

Do join us for a resourceful and interactive workshop on 28th November at 10.30 am.
