Dear Parents,

Greetings from SVM!

As we are about to begin our final assessment for the Academic Year 2020-2021, it is important to connect once again and to brief you about important points. We have always believed in healthy and open discussions.

We have scheduled a **Virtual Parents Teachers Meet** on **Tuesday, 23rd February, 2021** from **9:00 am to 10:00 am** to update you regarding our upcoming Term 2 Examination, share feedback from both the sides and as well as suggestions if any.

You can join PTM using the link given below:
