Date: 24/03/2021

Dear Parents,

In the very initial phase as we were revising our school fee for Session 2020-21 which was later kept on hold due to the occurrence of the pandemic.

The caution money of an amount 5500/- which was initially taken from you as per the new fee structure was not further revised and implemented, hence we are returning the extra amount of Rs. 500/- as refund against the money charged.
