**Subject:** Meet and Greet with parents

Dear Parents,

It has almost been a month that we have begun our Academic Session 21-22 with no choice left with, to conduct it in the virtual mode. Many of you have joined as the new members of the SVM family and the old ones have already experienced one complete year in the online mode.

At SVM we have always believed in prompt, continuous, open communication and interaction between parents/guardians and teachers. We believe it is essential in order to set students on the path to success overcoming the obstacles they come across. What best then meeting over a virtual PTM which will be specifically aimed at improving your understanding of the school processes, understanding the academic performance of learners in general, attentiveness and ability to cope with online classes.

**The key take aways from the session will be as mentioned:**

- Understanding the transition from Early Years to Primary Years
- Addressing your queries and concerns
- Brief on upcoming Periodic Test 1
- Raising Bright Readers- Expert Talk from ACE to assist you with easy implementable strategies to help your child read at home.

**Kindly join the session using - <https://meet.google.com/tow-fvve-oge>**

**Time:** 1:45 pm onwards

**Date:** 15<sup>th</sup> July, 2021

Yours Truly
