

C 11 (2021-22)

To,
School Parents (Grade 1 to 9),

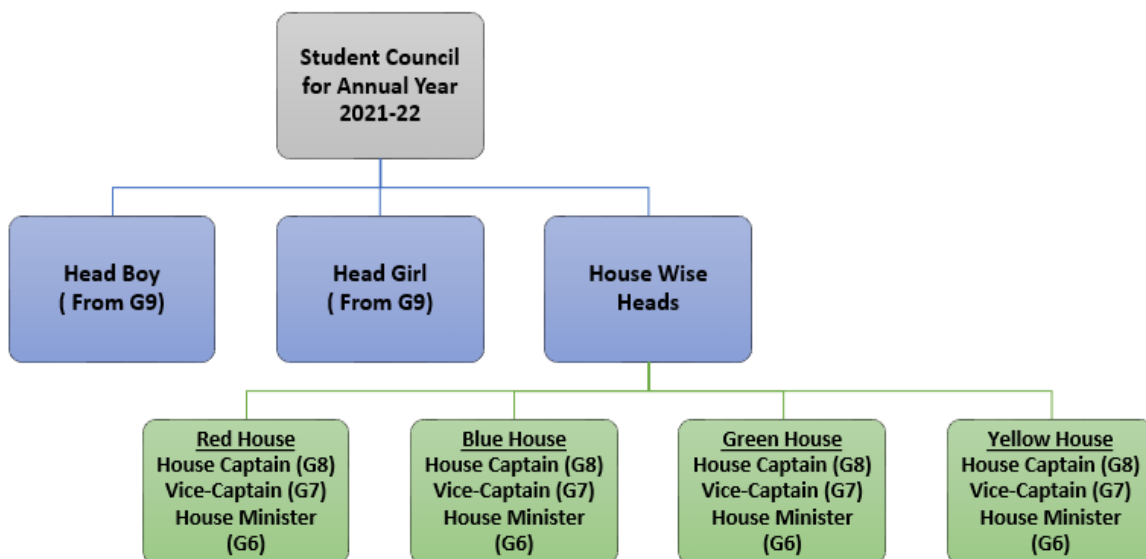

Reference: Formation of Student Council for Academic Session 21-22.

Dear Parents,

Welcome to the Academic Year 2021-22.

The single biggest way to impact a society is to focus on the development of leadership skills in the young learners. There is almost no limit to the potential of a child. Today with a wide range of exposure, we need to raise them as leaders and continuously develop them, to be the future flag bearers.

This year the selection of the student council will be done by voting using google form. The learners from grade 6 to grade 9 and the teachers can vote only for the house they belong. The details of the positions in the council are listed below:

Following are the important dates for the process of selection of student council:
