Parents (Nursery to Grade 1)

Dear Parents:

Greetings!

SVM would like to invite you for an exclusive Parent Orientation on Jolly Phonics Program conducted by **Ms. Riddhi Shah**, the Chief Academic Officer at ACE .

Jolly Phonics is a systematic, sequential, **phonics** program designed to teach children to read and write. It teaches the letter sounds in an enjoyable, multisensory way, and enables children to use them to read and write words. This is a technique all children need to learn, and the skill improves with practice.

Phonics instruction teaches children how to decode letters into their respective sounds, a skill that is essential for them to read unfamiliar words by themselves.

We look forward for your participation.
