School Parents (Nursery to Senior Kg)

Subject: Meet and Greet with learners

Dear Parents,

We are very glad to share that it has almost been a week that we have begun our Academic Session 21-22 again with the higher grades. While some of you have joined as the new members of the SVM family the old ones have already experienced the online mode and friendly meet & greet session.

As a school we have always believed in accepting parents suggestions and feedbacks and take prompt actions, hence after a week of executing successful offline school for the higher grade we have come across many requests and suggestion to resume the informal meet & greet sessions for our little ones.

A detailed explanation and guidance from the HRT had been done in your respective class during the session. Furthermore, sharing the new revised class time table followed by the circular and the new google meet code for the clubbed co-curricular sessions for more details.

JOIN ALL THE CO- CURRICULAR SESSIONS WITH THE GOOGLE MEET LINK:
<https://meet.google.com/pqx-czvs-ewd>

The school's schedule will be followed in the below manner: -

Grade	Scheduled days	Time for meet & greet
Nursery	Monday / Thursday	11:00 am – 12:30 pm
Junior Kg	Tuesday / Friday	11:00 am – 12:30 pm
Senior Kg	Wednesday / Saturday	11:00 am – 12:30 pm

Parents Role:

1. The timetable will come in effect from Monday 7th February 2022.
2. The timing for the sessions has also been pre pond considering time needed to settle and bring your child to the school
3. Ensure that your child attends classes regularly, whether online or through meet & greet unless there is a valid reason for absence.
4. Ensure that your child is dressed comfortably to learn, explore and experience the joy of learning at SVM.
5. Parents bringing their child for the meet & greet please note that for the allotted day no online sessions will be conducted apart from the co-curricular session (if scheduled on the timetable for that particular day)

6. Learners will be given a 10-minute snack break during the physical school. Hence, requesting the parents to send finger food preferably fruits and water bottle (No junk food encouraged)
7. Ensure to bring the bags of the learners with the books according to the time table or as requested by the HRT.
8. Send along the learners a small bottle of sanitizer.
9. Ensure your child carries his/her own water bottle.
10. Sharing of Water bottle/ Lunch and other items is strictly prohibited.
11. Avoid social gatherings and crowded places for the safety of others.
12. Please evaluate the health condition of your child/children before sending them to school. Do not send them to school if they are suffering from cold cough fever or any other communicable disease.

Yours Truly

Monica Jaiswal

Principal

SVM
