To

School Parents,

Subject: Graduation Day

Dear Parents,

This is with reference to the “**Graduation Day**” event, scheduled to be held on **April 30, 2022** between **2.30 – 3.30 p.m.** The invite for the event may have already reached you via WhatsApp and we are hoping that you will make the time and attend the same. Since it is the graduation of your ward, we intend dressing them up in graduation vestments. It will take some time to get them ready, hence we request your presence earlier than 2.30 p.m. It would be appreciated if you could walk in by 2.00 p.m, that way you can settle down, while the children will have the time to wear their graduation robes and hats.

Here’s hoping for complete co-operation from your side.

Yours Truly

Monica Jaiswal

Principal
