

C 05 (2022-23)

CLUB SELECTION (Also open to SVM parents who would like to be a part of any one from the listed Clubs)

1. The Mass Media and Communications Club

For those with an inclination towards languages, eager to pick up the nuances of reading, writing and communicating, this is the club for you. Accentuate your communication skills through the various activities held in our sessions. Moreover, the scope of the MMCC is heightened due to the handing down of journalistic and editorial responsibilities with regards to school newsletters and magazines.

2. The Model United Nations Club

Are you interested in global issues, do you want to be a world leader? If so, the Model United Nations Club is the one for you. We, at the MUN Club discuss real world issues and policies with a view to creating solutions for the same. This could well be preparation for the future “you”, who knows... a future UN Ambassador or a Foreign Affairs minister.

3. The STEM Club

An abbreviation of Science, Technology, Engineering and Mathematics, the STEM Club seeks to draw from the technological advances made by man in today’s day and age. For those who harbour wishes to someday make it as an engineer or a technological expert, this is the club that you should be in. The focus here will be much on robotics and DIY projects.

4. The Grow and Cook Club

Just as the title suggests, the Grow and Cook Club will propagate the age-old practice of serving both - the environment and mankind, by first prepping the soil, after which seeds and saplings will be planted. Thereafter, the members will learn the methods of post-planting care and finally its use in our daily nutrition.

BAG(LESS) SATURDAYS

1. Saturdays will be working school days with a difference, that is, the learners will not be carrying their bags to school on Saturdays.
2. There will be a few activities lined up every Saturday which will include, Club and House activities, so also co-curricular activities.
3. The co-curricular activities will be held between **10.45a.m. – 12.00p.m.** every Saturday.
4. Your ward has to select one activity/ sub-activity for the entire year.
5. First select one co-curricular activity from the three – Music, Art & Dance.
6. Then select a sub-activity which you would like to train in (eg; Under Dance – Indian (Bharatnatyam).
7. One cannot select from more than one activity/ sub-activity.
8. The activity cannot be switched mid-way through the academic year.
9. The grid for the array of activities is presented below, **kindly tick against the activity of your wards choice.**
