To  
School Parents,

Dear Parents,

***It's true, we are turning 4!***

Come June 21, 2022 and we would have completed four years in existence, and what a beautiful journey it has been this far. It is indeed a proud moment for every SVM'ite, beginning with the trustees, the school's staff and most importantly, you - our stakeholders, learners and parents both. We are truly grateful to you for playing a major role in the success of the school. This calls for a celebration of sorts. Now, apart from it being SVM's "**Founders' Day**", June 21<sup>st</sup> is also ear-marked for a few other occasions, namely; "**World Music Day**" and "**International Day of Yoga**".

We all go mushy at the thought of our mothers, however, a father has an equal role to play in our lives. It so happens that, "**Father's Day**" is celebrated on the third Sunday in June. This year around, we at SVM have decided to celebrate "Father's Day" on June 21<sup>st</sup> as well. On this very special day, we'd like to applaud the contributions made by every father to enrich the lives of the members of his family and particularly, his child(ren). We have planned a few activities to express our gratitude to our fathers and to commemorate the aforementioned days.

Hence, this is an invite to all Fathers and Grandfathers to join us on **June 21, 2022 at 8.30 a.m. (program duration – 40-45 minutes)** in the school amphitheatre, that we may pay them tribute and congratulate them for raising model families, loving children and grandchildren. All this, while we also do our bit to celebrate all the others days as mentioned above. We request those who don't mind stretching a leg, to carry a yoga mat or an equivalent since the entire school will engage in a few yogic poses. We hope to see the fathers/grandfathers of SVM in good numbers. Let's begin this academic with a burst of energy and loads of sweetness.

**Thank you,**
