Ref:- EDUCATIONAL TRIP

Dear Parents,

Greetings from SVM!

Under the aegis of CBSE curriculum for Secondary level school, it is mandatory to take learners for an educational trip aka field trip to promote experiential learning. After a 2 year long haul of pandemic, we feel rejuvenated to get back to the old practice of school. Hence a field trip has been planned for your wards on **22nd July 2022** to **Sangameshwar - Laavni Mahotsav**

The Itinerary is as follows:-

1. 08.15 am - Learners reach school
2. 08.30 am - Buses depart (Breakfast will be served on the way for all the learners)
3. 10:00 am- Reach fields
4. 10:10 am - 12.30 pm visit hot spring, paddy fields, temple and botanical glory.
5. 12:30 - 1:30 pm- Lunch (Learners carry their own tiffins)
6. 01:30- 2:30 pm - **Karneshwar** and **Someshwar temple** visit for archaeological analysis and Chalukyan History artefacts.
7. 02:30 pm- return journey to school.
8. 04:00 pm - Reach school. (Learners will be dropped on the way. Hotspots will be Railway Station, Salvi Stop, Maruti Mandir and Jaya Stambh. Live location will be shared on the official groups.)

Kindly note-

- It is an EDUCATIONAL TRIP hence OBSERVATION AND RESEARCH CARRIES POINTS AND VALIDITY. Send a book and a pen in their bag.
- Wearing I-Card is compulsory.
- Learners to wear and carry sports uniform only. (White T-shirt and blue/black track pants) Casual clothes are strictly prohibited.
- Learners carry their lunch preferably dry and spill proof food items. Plastic and paper disposables will not be allowed.
- Gadgets will not be permitted as the school carries its camera and other gadgets for record purposes.
- Raincoat and rainy footwear to be carried on the trip. Avoid sending umbrellas for hands free exploration.

Hope to have a fruitful field trip with your co-operation.

Regards,
Monica Jaiswal
Principal
SVM.
