School Parents (Nursery to Grade 2)

**Ref:-** FIELD TRIP

Dear Parents,

Greetings!

This is to inform you that our learners from Nursery to Grade 2 will be going on a school field trip to Indian Coast Guard in MIDC Mirzole on Wednesday, 7 December 2022.

This field trip aims to provide experiential learning on modes of transport to our learners. Our learners will explore Indian Coast Guard office and understand different vehicles used by them. Learners will explore aircrafts, construction heavy duty vehicles, fire engines, ambulance etc.

We are sure your child will return filled with excitement and knowledge. We are excited to share our time with them!

To ensure that your child has a fun and safe experience we ask for your help with the following:

- Wear comfortable clothing and footwear.
- Notify your teacher of any health conditions/concerns

**\*The field trip will be conducted in school hours and hence the school and bus timings stay same.**

Regards,

**Monica Jaiswal**

**Principal**

**SVM.**
