To,

Whole School Parents

Dear Parents,

Greetings from SVM!

“We make a living by what we get. We make a life by what we give.” -Winston S. Churchill

This is to inform you that we are celebrating the Joy of Giving week in our school from 19th December to 21st December 2022.

The joy of giving makes a person enlarge his or her life to a great extent. The best part is it gives a sense of satisfaction after doing your bit for people in our inner and outer zones. The mere act of giving fills a person's life with joy and his own happiness multiplies. Every life is precious and special.

Hence, to inculcate the habit of reading among kids and young students, the school has decided to start the initiative of donating a book which not only will increase the strength of books in any school libraries but also provide opportunities to children who may not have the privilege to good reading materials and resources.

As it is rightly said, **“Today's reader is tomorrow's leader”** because books can make us laugh out loud, cry with empathy, or feel a surge of joy. They help us to learn new things and help people to connect with their children through the act of reading together.

We request you to send one book (in any language, preferably English/Hindi/Marathi) with your child on the days mentioned above.

The books will be donated to underprivileged schools by the end of the week.

Yours truly,

Monica Jaiswal

Principal

Sarvankash Vidya Mandir.
