To,

Pre-Primary Parents

Dear Parents,

Greetings!

This is to inform you that our Pre-Primary years will be going on a school field trip to a small village, Maglaad at Phansop. The trip is scheduled on 1<sup>st</sup> February 2023.

This field trip will help students to experience life in remote places. They will learn as to how people in different environments tackle situations with the help of their available resources and knowledge. Students learn about diversity and adaptability in the lives of the people. This will also increase their perspective of the world.

**Key highlights of the trip:**

- Biogas plant
- Various farm animals
- School

We are sure your child will return filled with excitement and knowledge. We are excited to share our time with them!

To ensure that your child has a fun and safe experience we ask for your help with the following:

- Wear comfortable Track Pant, T- Shirt, Sports Shoes and carry a cap.
- Notify your teacher of any health conditions/concerns

We also request you to send a local and traditional snack like Thalipeeth, Kothimbir Vadi, Ghaavne, Pohe, Upma or any other traditional food.

**\*The field trip will be conducted in school hours and hence the school and bus timings stay same.**

Yours truly,

Monica Jaiswal

Principal

Sarvankash Vidya Mandir.
