To

School Parents (Nur – Sr. Kg.)

Dear Parents,

Greetings from SVM!

This is to brief you all on the upcoming Formative or Continuous and Comprehensive Evaluation (Term 2) for Early Years which is scheduled from **Monday, 27 March 2023 to Monday, 3 April 2023.**

The ultimate aim of the assessment is to enable each child to reach his/her potential. It also helps us to achieve the desired and essential milestones. Apart from writing, we assess our learners through activities, classroom discussions, listening, reading and speaking activities, games and many other ways. These assessments are purely conducted internally and in a child friendly way without putting any pressure on the learners. And hence being deliberately conscious we avoid to share any formal syllabus or timetable with you especially for the early years.

As the Whole School will be undergoing the assessment cycle there would be a slight impact on the school timings of early years.

- The learners will come to school on regular time that is at **9:30 am and depart early at 11:15 am** post assessment.
- The revised drop timings are attached with this circular.
- As the learners will go home early, kindly send light snacks preferably a fruit.
- PTM is scheduled on **15 April 2023**. Parent Orientation for the new academic year is also scheduled on the same day. Details about the same will be shared shortly.
- **Post examination, learners will have a range of activities which we have aptly named SUMMER BONANZA from 5 April 2023 to 13 April 2023.** This week comprises of various activities under art & craft, music, dance and sports.
- **For only Senior KG Parents: Senior KG learners will have their Graduation Ceremony on the day of PTM i.e on 15 April 2023. We will brief you about the event in detail through a separate circular.**

Thanks and Regards

Monica Jaiswal
