Dear Parents,

Greetings!

On the outset, we believe that you are all aware of the various Clubs being propagated at Sarvankash Vidya Mandir, namely;

- The Grow & Cook Club
- The Mass Media & Communications Club
- The STEM Club
- The Model United Nations Club

These Clubs are meant to promote better learning, team spirit and personal development, arising from a shared interest in the Club's undertaking. This year round, it has been decided that the learners of Grades 1 and 2 deserve to have their own Club. Hence, your ward(s) will be part of a Club, aptly named, "The Pathfinders' Club". This means that they will have activities of their own during Club meets which will happen atleast twice a month. The theme every month will be different and we would have covered a range of topics by the end of the academic year. A detailed plan for the Quarter will be forwarded to you at the earliest.

Regards
