Ref: Father's Day

Dear Dads,

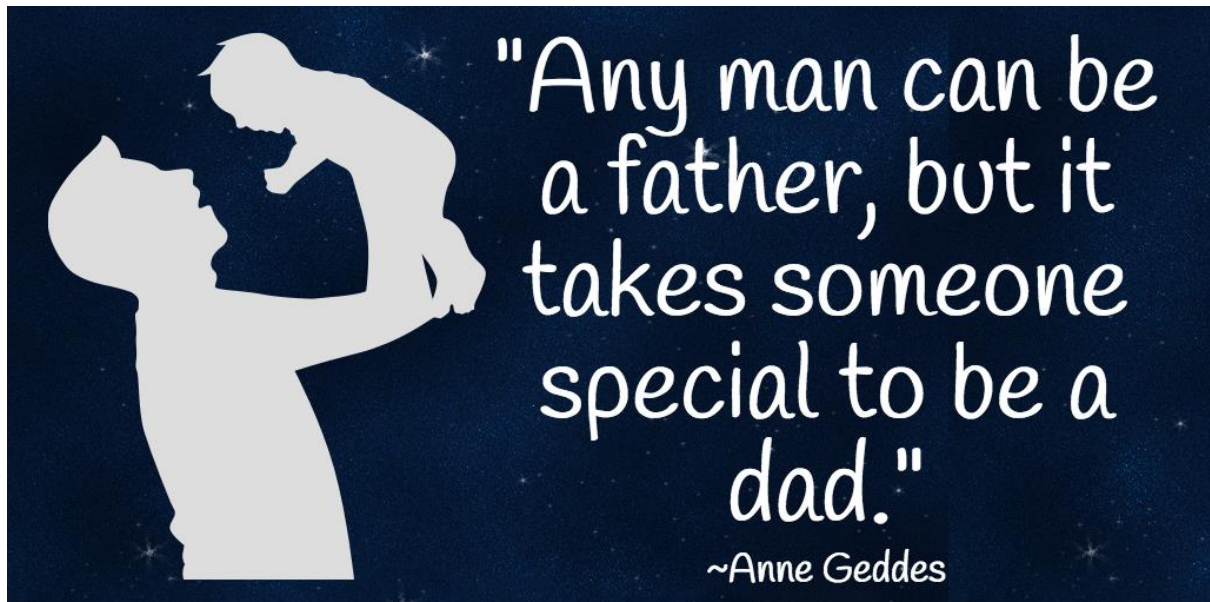

You are one of the most beloved heroes in your child's life. Father's day is an occasion to applaud the contributions of a person who enriches the life of a child.

For making this father's day a special one, the students of SVM are making heart-felt efforts to express their gratitude towards their father's unconditional love.

Do grace the occasion on Saturday, 17 June 2023 at 9:00 am. We have a few activities and secrets planned for you to make your day special.

Kindly acknowledge your presence for the event through your child's class teacher over WhatsApp. This will help us with our preparations at the backend.

It would be really great if you could also share a short video (1 min) highlighting your talents on Facebook, tagging us at SVM. If not, you could forward the video to us. Please be a sport, your children would love to see you shine.

Thank you,

Team SVM
