Early Years School Parents

Dear Parents,

Greetings Fellow SVM'ites,

This year around, the departments of Performing & Visual Arts have decided to hold contests to explore and elevate the talents of our little learners. Titled, "SVM's Got Talent – The Juniors", we wish to highlight the innate talents our Early Years learners have for dance, music and visual-arts. We offer the learners at SVM, exposure to the elements of dance, music and art; and while we don't claim the ability to make them experts in these fields, such contests will only aid in increasing their interest and know-how of the subject. Hence in keeping with the aim of holding such a contest, the three broad categories based on the "Arts" are;
