School Parents

Ref: Folk Art for School Desk Calendar 2024.

Dear Parents,
Greetings!

We are happy to inform you that with the huge response and appreciation received for our SVM Desk Calendar 2023, we have decided to come up with a new theme for the upcoming year, 2024-25. Our learners will exclusively design this Calendar. The theme planned for this year is- 'Indian Traditional Folk Art'. ('भारतीय पारंपारिक लोककला'.)
We have planned grade-wise art forms. The references are attached below.
However, the references are just sample images and learners may make changes in the art form. The art facilitator will guide the learners in the school. Accordingly, learners can practice the respective art form assigned to their grades at their homes.
On 6th November they will produce their art forms during school hours.

For Example-

- The theme assigned for Jr. KG and Sr. KG is '**Warli Folk Art**'. The reference of the same will be shared with the learners.
- On 6th November, the learners who wish to participate may create a creative art form in accordance with the theme.

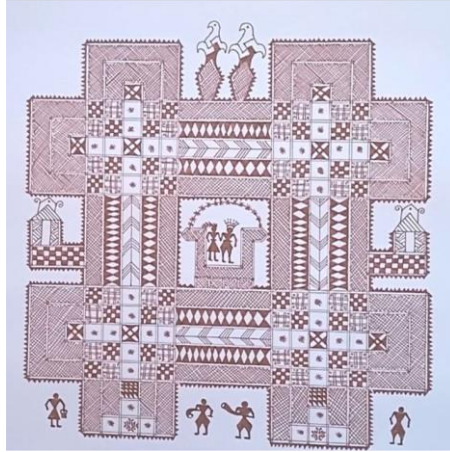

A few key- points-

- The activity is not mandatory.
- The school will provide A4-size pages.
- Learners need to carry their art kit.
- And for any doubts please feel free to connect with our Art facilitators.

Grade	Name of state and Folk Art style
Jr.KG and Sr.KG	Maharashtra – Warli folk art <div style="display: flex; justify-content: space-around; align-items: center;">   </div>
