School Parents (Grades 4-5)

Subject: Field Trip: Coconut Research Centre, Ratnagiri

Dear Parents,

We are thrilled to inform you that a field trip has been planned for the learners of **Grades 4 and 5 to The Coconut Research Centre, Ratnagiri on 6 November 2023**. This trip aims to educate the learners about the journey of spices from plant to plate and to provide an extension to their classroom learning. We strongly believe that true education happens in the open space under the blue sky, and this field trip is a perfect example of it.

We request all the learners to wear their proper school uniform along with sports shoes for the trip. The field trip will be conducted during school hours, and therefore, the bus and the school timings will remain the same.

We hope that this field trip will ignite curiosity in the young minds and provide them with a valuable learning experience.

We look forward to having a fun and educational trip with our learners.

Yours truly,

Monica Jaiswal

Principal

Sarvankash Vidya Mandir
