School Parents (Grade 10)

Subject: Field Trip: Ashadeep, Ratnagiri

Dear Parents,

Kindly note the CBSE expects minimum 2 Field trips in an academic year to promote experiential learning and simulating learners towards social institutions and operations.

Grade 10 learners will visit the 'Ashadeep'- The Home for Mentally Challenged tomorrow in the morning during school hours. This comes under social service and SEWA project prescribed by the CBSE.

Your kind cooperation is expected.

Learners have to wear their Sports uniform and carry water bottle. You may send sweets, farsan, or soundless crackers along with your child for making the inmates of Ashadeep happy. (NOT COMPULSORY)

Yours truly,

Monica Jaiswal
