School Parents (Grades 1-10),

Ref: Formation of Anti-Bullying & Anti-Ragging Committee

Dear Parents,

We are reaching out to inform you about the formation of an Anti-Bullying and Anti-Ragging Committee in our school. The committee is being formed to ensure that our students feel safe and supported while at school and on the bus.

Bullying is a serious issue that can harm a child's physical, mental and emotional well-being. We want to ensure that our school is a place where students can thrive academically and socially without fear of being bullied or harassed.

The committee is constituted of the following members - School Management Representative, Principal, Coordinator, Facilitator, School Doctor/Nurse, School counsellor, PTA Representative, and Legal Representatives who are committed to creating a safe and inclusive environment for all our students. They will work together to identify and address any bullying or harassment that may be taking place, take appropriate actions as per the Anti-Bullying Act of CBSE and the Anti-Bullying and Anti-Ragging Act of Maharashtra and provide support and resources for students who may be experiencing bullying.

We would also like to inform you that special log registers have been allotted in each bus, where the didi/dada on duty will be documenting any wrong behaviour such as using abusive language, hitting, not following the bus protocols etc. These registers will be submitted to the Principal daily.

We regularly emphasize the code of conduct in our school assemblies, QCT sessions and classrooms. We request you to have a conversation with your child about the importance of following the code of conduct on the school premises and on the bus.
