

To Parents (Grades 9 and 10),

Subject: Field Trip to the coconut shell carving center located at Jaigadh.

Dear Parents,

At SVM, we strongly believe in providing our students with opportunities to enhance their critical thinking skills and broaden their understanding of local culture through experiential learning. To this end, we are excited to inform you about an upcoming field trip planned for our students.

The field trip is designed to introduce our young minds to the traditional art forms of Ratnagiri. This experience goes beyond the classroom, offering students a chance to explore and appreciate the cultural significance of local arts firsthand.

We understand the importance of learning outside the confines of a traditional classroom setting. Such experiences not only supplement academic learning but also foster curiosity and a deeper appreciation for cultural diversity. This field trip aims to provide a refreshing break from daily routines, allowing students to engage in hands-on learning and gain insights that cannot be replicated within school walls.

We assure you that the field trip will be conducted under strict supervision to ensure the safety and well-being of all students.

We encourage you to support this enriching experience for your child. If you have any questions or concerns regarding the field trip, please do not hesitate to contact us.

The field trip will begin early in the morning, and the school will provide breakfast for all students before departure. This ensures that everyone starts the day energized and ready for the day's activities.

However, we request that each learner brings his/her packed lunch, **preferably vegetarian.**

Thank you for your continued support in providing our students with valuable educational opportunities.

A few objectives of this visit are as follows:

- To know the significance of the local arts and culture of that place.
- To get a general idea and knowledge about the arts and culture of that place.
- To experience hands-on activity.
- Know about the artisans and their lifestyle.
