

C18 (2024-25)

Date: 30 September 2024

To,

School Parents (Grade 1)

**Ref: Field Trip to the Church**

Dear Parents,

We are pleased to inform you that as part of our Environmental Studies (EVS) curriculum, focusing on the culture and traditions of India, we have organized an educational field trip for Grade 1 students to visit a nearby church. The purpose of this visit is to introduce our young learners to different cultural practices and places of worship in India, promoting values of unity and diversity.

**Details of the Trip:**

- **Date:** 04<sup>th</sup> October 2024
- **Time:** During school hours
- **Location:** Church, Dhanji Naka

**Learning Outcomes:**

- Students will cultivate respect for various religious and cultural traditions, promoting harmony and inclusivity. They will learn to appreciate that India is a land of many cultures, traditions, and faiths.
- The trip will encourage students to observe and ask questions about the church and its significance, fostering curiosity and enhancing their inquiry-based learning skills.

Please ensure that your child wears the school uniform and school shoes.

We believe this experience will enrich the children's understanding of India's cultural heritage and promote respect for different traditions.

Thank you.

**Yours' Truly**

**Monica Jaiswal**

**Principal**

**Sarvankash Vidya Mandir**
