

C21 (2024-25)

Date: 26th October 2024

To,

School Parents (Grades 7-9)

Ref: School Excursion to Hyderabad

Greetings on the Festive occasion!

It is said that the best three ways to learn are; Reading books, Travel (exploring unseen places) and Meeting people. At SVM we believe that a school tour/excursion has its own objectives. It helps in strengthening the bond while having fun with friends and facilitators, team building, acquiring knowledge about the vast diversity (History and culture) for a country as rich as ours and becoming more independent in the absence of the cozy comfort of the house and pampering by the elders.

So what are we waiting for **“Adventure awaits! Pack your bags and let curiosity guide your way.”**

This year SVM plans to take our learners to Hyderabad during the Winter Break.

Please find below the details of the schedule for your kind perusal.
