Whole School Parents

Ref: Parents dropping their ward/wards using personal vehicle both two wheelers and four wheelers.

Dear Parents,

Greetings from SVM!

This is to bring to your kind attention that ensuring the physical safety and convenience of each and every learner at SVM is crucial for us.

Kindly make a note to adhere to the given guidelines/instructions –

1. Parents to park their private vehicles in the common parking area only and not dropping the learners till the area where the school bus boarding takes place, precisely the passage between multipurpose sports hall and the main building as there is movement of learners to and fro from the multipurpose sports hall to the main building.
2. This to avoid any unprecedented mishap.
3. Maintain a safe speed limit within the school premises and surrounding area.
4. Do not get into direct argument with the security personal on duty and get in touch with the front office or the school administrator in case of any difficulty.

We appreciate your understanding and cooperation in helping us maintain a safe environment for everyone.

Thanks and Regards
Monica Jaiswal
Principal
Sarvankash Vidya Mandir
