Role of Parents:

- Students are often in the habit of storing things in their school bags, therefore regular cleaning of the school bags is essential.
- The bag should be put on tightly to the shoulders back rather hanging off their shoulders.
- In case of long absenteeism, kindly inform in school.
- No leave during assessment will be given until any emergency case is informed officially.
- Make sure that learners are revising all the concepts taught in school on a daily basis.
- Please do attend all the PTMs regularly.

Being a progressive school, we firmly believe that family time is as important as school time for a child, hence we want our learners to spend 'Quality Time' with their parents every day, to pursue a hobby, to socialize etc.

At the same time, we constantly motivate our learners to manage class work and assignments independently and we make sure that the revision and recapitulation as extension of class work meets its purpose to help learners accomplish their academic goals.
